

SCAM WARNING TO CREDIT UNION MEMBERS

December 2007

Credit Union Central of Canada has been alerted to the fact that Canadians are receiving an email notification advising them that we have recently updated security on all member debit cards and that all debit cards must be reactivated by the end of December 2007. This notice was not sent by Credit Union Central of Canada.

Credit Union Central of Canada does NOT offer debit cards directly to the public. This notification is false and appears to be an attempt to gain personal account information to access member accounts. This notice provides a telephone number for members to call to be given further instructions. Credit Union members should not respond to this email nor should they call this number. The email should be deleted!
