### Proposed Tax Changes for Private Corporations Update

#### Prepare Now to Build the Most Effective Tax Structure

The federal government has announced significant changes to draft tax rules proposed in July 2017 after an outpouring of concerns about their impact to small businesses in Canada. These changes were intended to “close loopholes and deal with tax planning strategies that involved the use of private corporations.”

Now is the time to ensure your tax strategy is optimized before the end of the year and ahead of the changes.
